I. Academic Scholarships

- **Yeshiva University Sponsored Scholarships Based on Academic Merit (Dean's Scholarships)**

These scholarships are designed for exceptionally gifted students who demonstrate high academic achievement and a commitment to Jewish studies. Annual awards range from \$5,000 to \$15,000 for undergraduate studies at the university's New York campuses.

- **Distinguished Scholars Program**

Qualified applicants may be designated as Distinguished Scholars. Each participant can receive a scholarship ranging from \$10,000 through \$25,000 for up to four years of full-time on-campus study toward a bachelor's degree.

Distinguished Scholars automatically enter either the S. Daniel Abraham Honors Program (Beren Campus) or the Jay and Jeanie Schottenstein Honors Program (Wilf Campus) or the Sy Syms Business Honors and Entrepreneurial Leadership Program (both Campuses) and participate in an enriched course of study, including freshman honors seminars and special events that tap into the unparalleled cultural and intellectual resources of New York. A faculty mentor provides individualized guidance for each participant.

- **Yeshiva Masmidim Honors Program**

The Yeshiva Masmidim Honors Program, under the aegis of MYP, identifies approximately 10 exceptional incoming students each year who demonstrate potential to become genuine talmidei chochomim. Yeshiva University will provide these students with the opportunity to maximize their potential through a rigorous learning schedule and curriculum, within the framework of the university's unique commitment to Torah Umadda. The program, directed by Rabbi Mayer Twersky, a renowned talmid chochom and rosh yeshiva, will provide significant scholarships and will involve mentorship, bechinos, and the publication of divrei Torah. Scholarships will range from partial tuition to \$30,000.

II. Need Based Grants

- **Yeshiva University Grant**

University grants are direct gifts from the university to the student and depend on the amount of financial need and the student's eligibility for funding from other programs.

- **Federal Pell Grant**

The Pell Grant is administered and funded by the federal government and provides grants of up to \$6,895 per year for 2022-23 academic year toward the educational expenses of eligible students. Eligibility is determined by a formula set by Congress and is based on information reported in the FAFSA.

- Federal Supplemental Educational Opportunity Grant (SEOG)**
 The SEOG program was established by the federal government to help students from the lowest-income families meet educational expenses. Grants start at \$500 and are based on extreme financial need. Recipients also must be eligible for and receive the Pell Grant.
- New York State Tuition Assistance Program (TAP)**
 TAP provides grants of up to \$5,665 per year for students who are legal residents of New York State. Awards are determined by the amount of parents' net taxable New York State income (gross income less all exemptions and deductions). This grant can only be used for tuition and can not be used for fees or living expenses.

III. Loan Programs

- Yeshiva University Student Loan Program**
 These loans are available to needy students. A maximum of \$4,000 per year (\$8,000 for international students) may be borrowed. Repayment begins nine months after the borrower ceases to be a half-time student and is made in quarterly installments for up to 10 years. No interest accrues on the loan before the repayment period begins; thereafter, simple interest of 5 percent per year is paid $\frac{3}{4}$ M N

IV. Student Employment

Federal Work-Study Program

The Federal Work-Study Program provides students who demonstrate financial need with possible employment to help meet supplementary educational expenses. The Office of Human Resources places students in jobs that, wherever possible, are in keeping with their career goals and previous work experience. In many cases, students without prior work experience receive on-the-job training.

The academic year Work-Study Program provides part-time employment of up to 15 hours per week while classes are in session at the Wilf Campus, Beren Campus, and Brookdale Center.

The summer Work-Study Program provides employment of up to 35 hours per week either off-campus near the student's home or at a YU campus.
