TRANSFER CREDIT FOR HEBREW LANGUAGE, LITERATURE, AND CULTURE

Isaac Breuer College and James Striar School: Transfer credit for courses taken at IBC or JSS is listed on the Yeshiva College transcript as HES 1200–1299 or 1000–1099 respectively.

Transfers are made at the rate of 3 credits per semester and the grade given for the transfer credit is based on the composite average achieved at IBC or JSS that semester. Note: Students attending JSS may not take any courses in Jewish studies at any other school without the prior written permission of the Office of JSS.

The composite average is transferred as follows:

3.668 – 4.000= A	2.668 – 3.000= B	1.668 – 2.000= C	0.668 – 1.000= D
3.334 – 3.667= A-	2.334 – 2.667= B-	1.334 – 1.667= C-	0.334 – 0.667= D-

Grades: P/N Option In order to encourage students to take course work outside their area of specialization, each student in good standing, after his first year on campus, is permitted to select one course per semester to be graded P or N during the week indicated on the academic calendar. If awarded a P or N grade, the course will not count for Core requirements or any major or minor requirements (except for the first course in the minor field).

Regulations and limitations applicable to the choice of a course under the P/N Option are available in the Office of the Registrar.

Audit Policy: A student may audit no more than one course per semester. Only lecture courses without laboratory, performance, or studio work may be audited.

Students must have a 3.000 average and the instructor's written permission.

Attendance must be regular and the student must fulfill requirements as established by the instructor. Audited courses do not count toward the student work load. No credit is given for an audited course, and it fulfills no requirements. A course being taken for credit may be changed to an audit (L) with the consent of the instructor until the date by which a course can be dropped without a W. A course previously audited may subsequently be retaken for credit. Both courses will then appear on the student's record. Students must apply for such a course during the period specified in the academic calendar.

Independent Study: Independent study for credit may be done under the following conditions:

- The student must normally be a senior or a junior.
- A minimum GPA of 3.3 is required.
- Independent study is graded on a P/N basis. The work may only count toward the major with permission from the department.

outside the university, an immediate supervisor, in addition to the faculty sponsor, may be required.

- Independent study may be done during the summer, with permission of the sponsor and the appropriate dean. A fee is charged.
